You will need your sketchbook and pencils or pens.

What to do

- Look out of a window.
- Take 2 minutes to really look. What do you see?
- Notice the colours.
- Any people?
- Any animals, plants or birds or insects?
- Any objects, buildings or cars?

Next

- Starting with 'I saw..', make a list of everything you saw from your window.
- Make sure to include the colours you noticed.

Try this

- Choose some people or objects from your list to draw
- Draw them in your sketch book
